Your rejuvenation starts here....

Set in a glorious 50-acre estate, Wyck Hill House is the very essence of Cotswold life. You'll be invigorated and pampered in The Spa, which has six spa treatment rooms, including a dual treatment room, sauna, steam-room and relaxation area. We use a variety of luxury products specific for each individual treatment, those included are ELEMIS, VOYA, St Tropez, Jessica and Bare Escentuals.

Spa Etiquette

The Spa at Wyck Hill House is designed to promote peace and inner harmony for body and mind. Please keep noise to a minimum and ensure all mobile phones and electronic devices are switched off during your visit.

Sauna and Steam Room

These areas are unisex. We politely request that you wear suitable swimwear at all times in the sauna and steam room.

Treatment time

Please check in at The Spa reception at least 15 minutes prior to your scheduled appointment to allow time to change and relax and to avoid any reduced treatment times. If wearing swimwear to your treatment please ensure all garments are dry.

Valuables

Some treatments require the removal of jewellery, so it is advisable to leave valuables at home or in your locker. Please ensure that you retrieve all of your valuables before leaving The Spa. The management accepts no responsibility for the loss of money or valuables of any kind brought onto The Spa premises.

Children

Children under the age of 16 years are not permitted to use The Spa. Please respect other users and adhere to the etiquette of The Spa.
